# Kids Around The World

*solo, optional:*  
Kids around the world  
just want to be kids,  
just want to be kids.

Just like you and me,  
just want to be kids,  
just want to be kids.

*all:*  
Want to play and want to run,  
want to laugh and have some fun.  
Oh, kids around the world  
just want to be kids.

Kids around the world  
just want to be kids,  
just want to be kids.

Just like you and me,  
just want to be kids,  
just want to be kids.

Want to smile and want to love,  
give our moms a lot of hugs.  
Oh, kids around the world  
just want to be kids.

*solo, opt.:*  
Want to smile and want to love,  
give our moms a lot of hugs.

*all:*  
Oh, kids around the world  
just want to be kids.

## **Smile, Smile, Smile lyrics**

Pack up your troubles in your old backpack  
and smile, smile, smile!

Let all your problems just roll off your back,  
smile friends, that's the style!

What's the use of worrying?  
It never was worthwhile.

Sooo, pack up your troubles in your old backpack  
and smile, smile, smile!

**(instrumental)**

What's the use of worrying?  
It never was worthwhile.

Sooo, pack up your troubles in your old backpack  
and smile, smile, smile!

Pack up your troubles in your old backpack  
and smile, smile, smile!

**SMILE!**
